HELPFUL INFORMATION FOR ORDERING PATCHES

Ordering custom-made chenille patches can be a challenge. Do not hesitate to contact us if you have any questions or need help. It is very important that you are satisfied with your order.

Below you will find a diagram to help you know the specific areas of the patches to help you when selecting the different colors on the patch.

Be specific in the description of colors for your patches. Use the swatch chart below for selecting your colors. i.e. color: blue - should be - color: navy blue Actual colors may not be exactly like swatches due to dye lots.

Some patches need specific instruction for placement because of the direction that they are made. i.e. megaphones and track feet

When filling in the patch lay-out, make sure that it is written exactly as you want your patch to read and that all spelling is correct.

If your patches are not our stock designs, please send a copy of the patch you need. We will make every effort to match your example. We cannot guarantee that ours will be exactly the same.

Proofread your order form before sending it to make sure that all of your instructions are correct. Athletic Lettering cannot be responsible for any errors in instructions by the customer.
